

Fig. 1

FIG. 3 is a block diagram of a network system 300. The network system 300 includes a cloud 310, a server 305, and a plurality of nodes 320-328. The cloud 310 is connected to the server 305 and the nodes 320-328. The nodes 320-328 are interconnected in a mesh topology. The nodes 320-328 are connected to the cloud 310 via a network 330. The nodes 320-328 are connected to the server 305 via a network 340. The nodes 320-328 are connected to each other via a network 348. The nodes 320-328 are connected to the cloud 310 via a network 350.
